

## VERCORS NATURAL PARK

SELF GUIDED TOUR - 7 DAYS / 6 NIGHTS

MTB

ELECTRIC BIKE

NATURE

From the natural to the gastronomic heritage... Le Vercors des 4 Montagnes (the four mountains): a natural living and dynamic territory where nature has a lot to offer in the heart of the French Alps.

Cycling, especially with e-bikes, remains the best way to discover this charming mountain territory drop is becoming playful with a sense of freedom and of exceptional physical conditions that will surprise you! You are now free to enjoy the wonderful nature's display as well as the numerous farmsteads along your way where you will be able to discover gourmet produces. Enjoy your trip!

The sportiest ones can also choose the regular hybrid bike / mountain bike option – it is also possible to mix the 2 options – and discover the area along with friends enjoying e-bikes.
